Hi...

DRCFS

What is DRCFS?

- Non-profit organization focused on data literacy and student support.
- Started with two students, now Nepal's largest data community.
- Believes data literacy is essential for success in the modern world.
- Offers workshops, seminars, training, and hackathon for students.
- Provides collaborative and supportive environment for learning.
- Aims to build a brighter future for Nepal and beyond through promoting data literacy and supporting students.
